

NLP Phase 2 Project 1

- Surya Vamsi Gowtam Singulur
- Phani Rohitha Kaza

Name: Surya Vamsi Gowtam Singulur

ASU ID: 1222235274

Task	Number of variants for Phase 2	Remarks
task475_yelp_polarity_classification.json	1	Paraphrased definitions, Different instances from the original task and Phase-1 tasks.
task515_senteval_odd_word_output.json	5	Paraphrased definitions, Different instances from the original task and Phase-1 tasks.
task516_senteval_conjoints_inversion.json	5	Paraphrased definitions, Different instances from the original task and Phase-1 tasks.
task517_emo_classify_emotion_of_dialogue.json	1	Paraphrased definitions, Different instances from the original task and Phase-1 tasks.
task518_emo_different_dialogue_emotions.json	8	Paraphrased definitions, Different instances from the original task and Phase-1 tasks.
task519_aquamuse_question_generation.json	1	Paraphrased definition, Different instances from the original task and Phase-1 tasks.

Name : Phani Rohitha Kaza

ASU ID: 1219915970

Task	Number of variants	Remarks
task168_strategyqa_question_decomposition_p2.json	2	Paraphrased definition, changed positive and negative examples, and

		explanations. Different instances from the original task.
task169_strategyqa_sentence_generation_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.
task170_hotpotqa_answer_generation_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.
task171_spl_translation_en_fa.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task172_spl_translation_en_fa.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task173_spl_translation_en_it.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task174_spl_translation_en_ja.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task175_spl_translation_en_pl.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task176_break_decompose_questions_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task177_para-nmt_paraphrasing_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.

task178_quartz_question_answering_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task179_participant_extraction_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task180_intervention_extraction_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task181_outcome_extraction_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task182_duorc_question_generation_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task183_rhyme_generation_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations.
task184_break_generate_question_p2.json	1	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.
task184_snli_entailment_to_neutral_text_modification_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.
task185_snli_contradiction_to_neutral_text_modification_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.
task186_snli_contradiction_to_entailment_text_modification_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different

		instances from the original task.
task187_snli_entailment_to_contradiction_text_modification_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.
task188_snli_neutral_to_entailment_text_modification_p2.json	2	Paraphrased definition, changed positive and negative examples, and explanations. Different instances from the original task.
